Université Catholique de Louvain / Universidade de Lisboa

*Lingvisticæ Investigationes* publishes original articles dealing with the lexicon, grammar, phonology and semantics. It focuses on studies that are formalized to the point where they can be integrated into text analysis software, and on studies which describe resources such as grammars and

electronic dictionaries constructed on a linguistic basis. The journal also publishes bibliographies, summaries of theses, reports, squibs and reviews. Contributions are in English and French. French-speaking authors are free to submit in French or in English. The journal has an accompanying book series entitled *Lingvisticæ Investigationes Supplementa*.
